Exciting news from Beccles High School!

100% ATTENDANCE REWARD TRIP

Straight after the Celebration Assembly, where numerous certificates were given out, the 100% attendance students were rewarded with a trip to the Hippodrome Circus. This is on top of the behaviour and attendance Advent daily champion! Congratulations to all the winners!

BECCLES GOT TALENT!

Wednesday 17th December saw our students competing for first place in Beccles Got Talent 2025. There was a range of talent on display, and we are extremely proud of all the students who took part. Congratulations to Maisie for her well-deserved first prize. It was a sell-out crowd, with hot chocolates and mince pies! The evening was a huge success; not only did we see some really talented students performing, we also fundraised for our school production of Grease next year – watch this space!

AMBITION ACADEMY MAKING WAVES

Our Ambition Academies are continuing to flourish – The STEM academy started their Augmented Human Project to make a piece of wearable tech, a talk from a lead police CSI and the National Bebras Computational challenge. The football squad visited Norwich FC's training ground and the performing arts are gearing up for their summer production of Grease!

STEM STEM STEM

A group of Year 8 students visited the John Innes Centre in November to take part in the UEA Find My Future event where students heard presentations from various academics about STEM and its numerous applications in the workplace.

Last week Beccles high school was the highest user of Seneca learning in Suffolk!

CHRISTMAS JUMPER DAY AND CHRISTMAS LUNCH

On Thursday 11th December we celebrated Christmas Jumper Day. We also had Christmas Dinner made by our fantastic catering team!

CAREERS

Our Careers Fair was attended to all students and some parents. With over 20 stands including East Norfolk, University Technical College, Aviva, East Coast College, Suffolk Police, PCE Automation and so much more. It was a very well-attended and feedback was overwhelmingly positive!

This built on mock interview day when all Y10 and Y11 students had a practice interview with real local employers

RECORD BREAKING ATTENDANCE

In December, we had the Attendance and Behaviour Challenge where one student was chosen from each Year Group, with 100% attendance and great behaviour. They were rewarded with sweet treats and had a shoutout in Period 3 and on our online platforms. **We are now in the top 10-20% nationally for some attendance measures!**

OTHER VISITS, TRIPS AND EVENTS

Y9 Artists took part in a sculpture workshop at Woodbridge School. iMedia students visited Lowestoft Gaming Festival. The NFU visited assemblies and classes as part of their Farmers for Schools programme.

SENECA and TIMETABLE ROCKSTARS

Were successfully launched. We have been the highest Seneca user in Suffolk for almost every week since!

OPEN EVENING

Open even was incredibly successful with packed hall for the speeches and non-stop tours. Not forgetting the pizza and the subject challenge. Applications have been a record levels.
