

Further to our open evening on Wednesday, I wanted to share some responses to some of the frequently asked questions.

**If wearing blazer with sew on badge can they wear their old jumper if they have one for warmth in the winter?**

Students may wear the unbranded jumper, only if it is worn under a blazer that has been fitted with the Beccles High School badge. The old jumper may not be worn on its own.

**Will a clip-on tie be available?**

Our new uniform will only consist of the new tie which is a conventional tie. Upon our return to school in September, we will offer students guidance on how to tie a tie in tutorial.

**Can you offer more guidance on PE shorts?**

The requirement for PE shorts is that they are unbranded and navy. Cycling shorts and leggings are not permitted for PE. Plain navy, unbranded shorts are also permitted.

**What can students wear for extra warmth if we do not purchase the midlayer?**

If students do not possess the navy/gold midlayer, students may wear an additional plain navy base layer. Hoodies are not permitted.

**Can you confirm whether white PE socks are required or are these optional?**

White socks are required for PE. This is to ensure good health and hygiene practice when engaging in sport activities.

**When will we receive our orders?**

We won't be receiving jumpers until the end of July. So we will hold onto orders until then and then send out together.
